Dear Member,

We would like to offer you an opportunity to advertise while at the same time supporting your chamber and your community in it's efforts of increasing your business. We know that the events we hold increase the economic development of our businesses, communities, cities and counties.

We work very hard to plan events that increase patronage to your business. It is our hope and at some level our responsibility to help you as a member increase the volume of business you do.

Enclosed you will find a schedule of sponsorship opportunities from which to choose. As a member of the chamber this is a unique way for you to become more involved in our chamber events with the maximum amount of exposure for your business. We will offer you a series of advertising avenues.

We have done our best to assure that your sponsorship dollars are used to the best advantage for your business. Please review the sponsorship schedule and choose a level that best fits your needs. If you have any questions, please contact us at the North Florida Regional Chamber of Commerce (904) 964-5278.

We thank you for your support and look forward to hearing from you soon.

Sincerely,

Pam Whittle, IOM  
President / CEO  
North Florida Regional Chamber of Commerce
