Community Businesses

We would like to offer you an opportunity to advertise while at the same time supporting your chamber in one of our many efforts to sustain and grow business in the region. We know that the larger events held in the community have a major economic impact on local businesses, and your financial support will allow us to continue these efforts. We work very hard to plan events that increase patronage to local business.

Enclosed you will find a schedule of sponsorship opportunities from which to choose. As a member of the chamber this is a unique way for you to become more involved in our chamber events with the maximum amount of exposure for your business. We offer you a series of advertising levels, if you do not find what you are looking for please contact us.

We have done our best to assure that your sponsorship dollars are used to the best advantage for your business. Please review the sponsorship schedule and choose a level that best fits your budget. If you have any questions, please contact us at the North Florida Regional Chamber of Commerce (904) 964-5278.

We thank you for your support and look forward to hearing from you soon.

Sincerely,

Pam Whittle, IOM
President / CEO
North Florida Regional Chamber of Commerce
